Aprendizajes esperados:

- Identificar oraciones que expresen cantidad

Name _____ 6th grade: _____ Date: _____

Worksheet Unit 2

O.A: Identificar oraciones que expresen (How much – How many?)

Content:

When we want to know about the quantity or amount of something, we ask questions using **How much? and how many?**

How much I want to know the quantity or amount

- How much + **uncountable noun**

Example:

How much sugar would you like?

How much money did you spend?

How much I want to know the price

- How much + **singular or plural noun**

Example:

How much is this dress?

How much for the tv?

How many I want to know the quantity or amount

- How many + plural (countable) noun

Example:

How many students are in this room?

How many cousins do you have?

How much? (¿Cuánto?) is used to ask questions about non countable nouns and we can answers using words like some, a few, a lot of, little etc. (Es usado para hacer preguntas con cosas **incontables** y respondemos usando palabras como algo, un poco, mucho de etc.)
